We are happy to report that in spite of the severe drought that we have experienced during this past Summer, we are still in a position to offer a fairly complete line of top grade nursery stock.

We will gladly welcome your visit to our Nurseries. Our prices are right, our quality is good, and we invite comparison.

Growers of Dependable Nursery

Stock For Over 79 Years.

Established 1878

Visitors are always welcome at our Nursery. Our location, reasonably near both Philadelphia and New York City, is easily reached over an excellent system of modern highways. Complete directions on Page 84.

HARDY SHRUBS

Evergreen and Deciduous

We believe that we have the largest supply of strictly first class, well grown Shrubs, in good assortment, that we have ever had in the history of our business which extends over seventy-five years.

All of our Shrubs are graded according to, or above, the Standards of the American Association of Nurserymen.

Orders for less than ten plants of a variety, or grade, will be invoiced at an advance of 25% over the ten rate. This does not refer to varieties listed as balled and bur-lapped, our prices for which, when ordered in lots of less than 10 of a variety, are 10% above prices listed for lots of 10.

Prices quoted do not include cost of packing. See Terms and Conditions of Sale on inside of back cover.

One of our many blocks of well grown Shrubs.

HARDY PERENNIAL PLANTS

This season, we have a very large supply of well grown Perennials, and our assortment includes the very best varieties. Each year, we test numerous novelties, but we do not offer such varieties to our patrons until after we have become firmly convinced that they possess real merit. We also continue to grow practically all of the comprehensive list of dependable Hardy Perennial plants that we are growing. (R), following descriptions, indicates that such varieties are especially adapted to the rock garden.

Prices refer to sturdy, field grown plants (unless stated otherwise), such as can be depended upon to produce quick and satisfactory results.

Orders for less than ten plants of a variety, or grade, will be invoiced at an advance of 25% over the ten rate.

Hardy Perennials are splendid for planting in Rock Gardens, as well as in perennial borders.

Terms and Conditions of Sale

The prices published in this list cancel those in all previous lists. They are based on present market conditions and are subject to change without notice.

WARRANTY — Lovett's Nursery, Inc., warrants to the extent of the purchase price that nursery stock sold is true-to-name and as described within recognized tolerances. Seller gives no other or further warranty, expressed or implied, and will, under no circumstances, be liable for more than the invoice value at the time of purchase. A Certificate of Inspection is attached to each shipment.

PRICES—These prices apply only to orders placed by bona fide Nurserymen, Florists and Dealers. Not less than 5 of a variety and size will be supplied at the 10 rate, not less than 25 at the hundred rate, and not less than 250 at the thousand rate, except Hardy Shrubs, Page 1, and Hardy Perennials, Page 59.

SPECIAL SELECTION — All stock, when specially selected on the Nursery, will be sold at prices commensurate with the value of the specimens chosen.

PACKING — All stock is carefully packed in boxes or bales, for which a charge will be made based on actual cost of packing material used. This packing charge will apply to orders which have been paid for in advance of shipment, as well as charge orders. After delivery to forwarders, all articles travel at the risk of the purchaser, and if loss or delay occurs, the carriers alone are responsible.

CLAIMS—If claims are made upon receipt of goods they will be carefully and cheerfully examined and adjusted. Any claims made 15 days or more after receipt of goods will not be entertained.

TERMS—30 days net, 2% discount 10 days, from date of shipment. Interest at 6% per annum to be paid after maturity. These terms are offered to those of established credit. Cash, security, or satisfactory references are required from customers not known to us. C.O.D. orders must be accompanied by 25% of the purchase price. When ordering please use printed stationery or enclose business card.
